Dear Parent/Carer

Re: Hygiene in school

Hygiene is very important for the wellbeing and safety of our students and staff. We have recently developed, and will maintain, a clear, uniformly enforceable set of guidelines for consistent cleaning procedures that reflects the standards expected within the school.

We identified the following areas of concern regarding the current cleaning program therefore the cleaning team will take special care to ensure these areas receive the highest priority:

Toilet facilities

- We will use only professional cleaning chemicals and supplies to clean
- We will do regular follow up checks to ensure consistently clean facilities
- Inspections undertaken by the Site Manager continued on a regular schedule

Additionally, there has been issues with the drainage. We have taken a proactive approach to this and are in the process of purchasing drainage equipment. This will allow the Site Manager to carry out in-house maintenance on a regular basis. This should prevent any issues moving forward.

Yours sincerely

Chris Wilson
Interim Head Teacher

Interim Head Teacher: Mr Chris Wilson BSc/MA
