Dear Parent/Carer

Re: Cigarettes, electronic or otherwise, on school premises

Queensbury School is committed to the active promotion of a non-smoking environment for all its employees and pupils, consistent with the objective goals of health protection and the promotion of health within an educational setting.

For this purpose, smoking is taken to include all use of tobacco products, herbal substitutes, and vaping.

Objectives

- To eliminate all forms of smoking on school property as part of ensuring that the school complies with its responsibility to create and maintain a safe environment for our staff, students, parents/carers and visitors
- To demonstrate the school's commitment to promoting the health of students and staff
- To protect non-smokers from the adverse health effects of environmental tobacco smoke in the workplace

The school is concerned that students may want to copy parents/carers they see using tobacco/smoking products in the playground. Consequently, we are sending a clear message to staff, students, parents/carers and visitors that the use of any kind of cigarette, electronic or otherwise is not allowed on school premises.

Thank you for your continued support.

Yours sincerely

Mr Chris Wilson

Interim Head Teacher

Interim Head Teacher: Mr Chris Wilson BSc/MA
