4th December 2019

Dear Parents/Carers

Re: Go 4 Green" reward system

At Queensbury School we believe that encouragement and praise is central to the promotion of high standards of behaviour; rewards are an integral means of achieving this. We believe that rewarding students makes them feel valued, builds confidence and motivates them to achieve. In addition, rewarding good behaviour enables students to realise that desirable behaviour, self-discipline and responsibility to self and others is highly valued in our community.

We recognise the importance of recognition, praising and rewarding our students in a way that is meaningful to the individual. Therefore at Queensbury School a new "Go 4 Green" reward system will commence week beginning 9th December 2019. Tokens are collected by students and they can then be exchanged for prizes, weekly or termly. To support the introduction of "Go 4 Green", a poster competition is currently running and final submissions will need to be handed in before 11:00am on Friday, 6th December 2019.

We value the continued support of all the parents/carers and the wider community and would appreciate it if you could encourage our young persons to demonstrate positive attitude throughout their time at school.

Yours sincerely

Mr Shah

Head of Faculty

Ms Murphy

Class Teaching Assistant

Interim Head Teacher: Mr Chris Wilson BSc/MA
