Dear Parent/Carer

Re; SEN Parent/Carer Survey

Birmingham City Council is looking to improve the journey of applying for and receiving the Education Health and Care Plan (EHCP) and/or travel assistance for families with children who have Special Educational Health and Care needs, and, as part of this would like to understand parents/carers experiences with the process at present.

We would be grateful if you could take some time to answer some questions regarding this to aid in improving this pivotal milestone in a young person's education lifecycle.

This survey will require some personal background information in order to gain a broad understanding of the different needs for parents/carers, young adults and children. The data collected in this survey is **confidential** and will not be shared outside of the Birmingham City Council team working on this research.

The survey should take no longer than 10-15 minutes to complete.

At the end of this survey, you will be given a chance to share your contact details if you agree to be approached for an in-depth interview about your experience. **Interview participants** will be incentivised with a **£25 voucher** for your time and contribution.
