Dear Parents/Carers

Re; Message about Coronavirus

All of you will be aware of the growing global concern about the new coronavirus outbreak in Wuhan, China. Public Health England has published a Q&A blog which is regularly updated as things change.

The situation is being monitored as it develops with partners in the NHS and Public Health England. The risk to the UK, and Birmingham, currently remains low and although there are now two confirmed cases in the UK, these are not in the West Midlands.

However, it's a good time to remind everyone of the simple steps to prevent the spread of this type of respiratory virus through regular handwashing and using a tissue when we sneeze or cough to '**Catch it, Kill it, Bin it**'. We also have non-alcoholic hand wash dispensers around school.

We will continue to keep you updated.

Yours Sincerely

Mr C Wilson

Interim Head Teacher
