REF: The Thompson Family Charitable Trust – Thank you £10,000 Donation

CC: David Bishop (Chair of Governors), Diane Weaver (Thompson Family Charitable Trust)

Dear Roy Copus,

Firstly, can I thank you and the Thompson Family Charitable Trust and Diane on behalf of all the students, staff, families and stakeholders at Queensbury School for the very generous donation of £10,000. Mrs Burrows (Parent) came into school this morning and met with myself. The school was delighted and very surprised with the news. It has certainly given our students and staff a huge boost and uplift.

Queensbury school is a Secondary Special School 11 to 19 years of age for students with Moderate Learning Difficulties (MLD), Severe Learning Difficulties (SLD), Autism (ASC) and Social Emotional and Mental Health (SEMH) difficulties. It is based in Erdington, Birmingham and as a school it is in the highest quintile nationally for deprivation. These funds will be vital in improving the holistic education for our young people.

I will be discussing with our Student Council at their next meeting to gain their ideas, thoughts and opinions on how to utilise the funds effectively and efficiently through student voice. We will let Diane know in due course of what we will be attributing the funds towards and of course send through copies of the relevant receipts for your accounting purposes and files.

We have sent a letter informing parents of this generous act, will be posting on our webpage, newsletters and twitter feed.

Due to the extreme generosity of the £5000 donated last academic year, I have included some photos of the table tennis area that was developed and has made such a big difference to our students, particularly in their informal break and lunchtimes helping socialisation and structure games situations.

After

The Thompson Family Charitable Trust has already made a big difference to our school and community. The school is incredibly appreciative and grateful of this donation. Please thank your trustees, members and staff for making such a difference to our vulnerable children's lives. I am sure I can speak behalf on the families we serve, and they would want to express their gratitude.

Yours Faithfully
