Dear Parents and Carers

Re; School Closure

Our provision for Key Worker children has steadily declined over last week. Yesterday, we had no children and have contacted relevant families. To comply with the Government guidance and Public Health England guidance we will be **closing this onsite school provision** until the **21st April 2020**.

The school has brought forward the **asbestos removal**, that will be taking place from Wednesday 1st to the Monday 20th April 2020.

We will **keep the situation under review** and any families with work commitments that fluctuate, can contact the school on enquiry@queensbury.bham.sch.uk

Our **Free School Meals** vouchers are being sent digitally to families this week, for help you can contact fsm@queensbury.bham.sch.uk

Equally, parents or students can contact our **welfare teams** for advice and further support welfare@queensbury.bham.sch.uk

Our staff are working hard on the **home learning pages**, with regular uploads. The work sent home should be enough until the Easter period. All work on the home learning page will relate to the **Summer Term Planning** created by our teachers.

I would like to express my **thanks** again for all the families that have supported the school in this difficult situation and posted positive pictures, creative challenges and lovely comments of what they have been up to with their children at home. I know this has been of huge importance to our staff teams and challenging for families.

If you haven't already, please '**subscribe**' to our **Queensbury TV Channel** on YouTube with regular uploads.
