10<sup>th</sup> November 2020

Dear Parent/Carer

**Re; Closure of Classes 6.3, 6.4, 6.5, 6.6, 6.7 and 11E**

We have received notice that two staff members have tested positive for COVID-19. As an extra precautionary measure, we immediately closed Classes 6.3, 6.4, 6.5, 6.6, 6.7 and 11E to contact trace in school. After consultation with Public Health today, we are also notifying **all students on your child's transport 'bubble'**. We ask that you **isolate your child at home for 14 days**, monitor for symptoms and arrange a test as soon as possible.

Public Health has advised that even with a test and negative result, **this immediate group must isolate for the full 14-day period.** Therefore, your child is expected to return to school on **Tuesday, 24<sup>th</sup> November 2020.**

If you or a member of your household display any of the listed symptoms of Coronavirus you should contact 111. Additionally, you should share that information with us immediately so that we can follow our procedures in school; names will be kept in strict confidence. Communication is key if we are going to be able to keep the bubbles working effectively. This will be a precautionary bubble closure.

If you have any questions or concerns regarding the precautionary closure of 6.3, 6.4, 6.5, 6.6, 6.7 and 11E and your child's transport 'bubble', please do not hesitate to contact the school.

Yours sincerely
