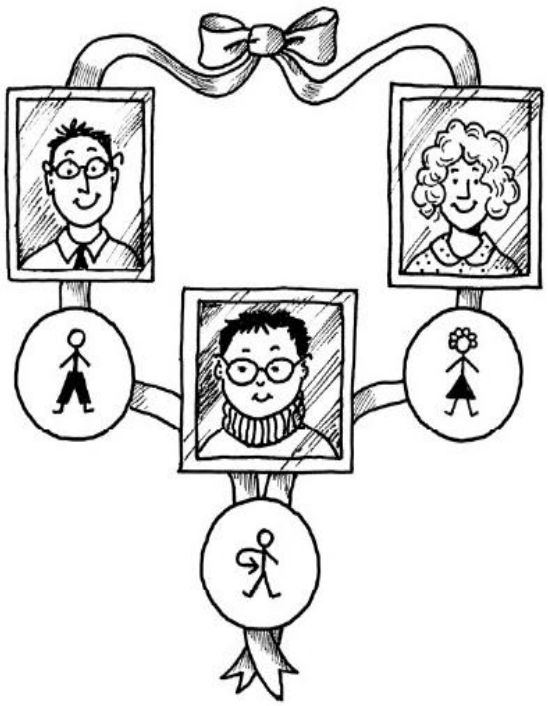
The Makaton Charity

Make a Family Tree



Learn about who is in your family

Tell other people who you are related to

Make your own Family Tree

Contains:

A → 
a template to make your own family tree.

A >

a set of family symbols

+ →

signs and phrases to help you talk about your family.

 →

Complete instructions to help you make your family tree.

Aim:

To be able to recognise yourself and members of

your family from photographs.

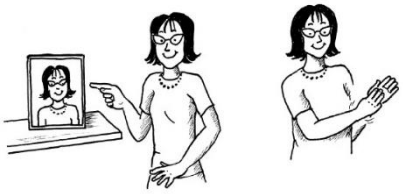
a →

To create a family tree to help you understand

? →

how family members are related to you.

Family



You

Mummy

What to do?

1. Ask your child to identify themselves from photos.

2. Ask your child who is that? Encourage them to say 'me', or their 'name'.

3. Repeat this until all the photos have been found for the family tree.
