

Explorer Curriculum – Building block to Formal Curriculum

- The building block before a fully formal curriculum.
- Strong focus on Early Literacy and Numeracy.
- Key skills and knowledge to understand the world around them.
- Functional Skills to apply basic knowledge.
- For children with moderate learning difficulties, autism and other learning needs. Learning takes place through tangible 'real life situations' with regular revisiting of learning.
- Students follow an Entry Level (1-3) Pathway at KS4 and KS5.

Learners will be able to develop their physical abilities as well as understand the benefits of participation in exercise and then look at ways to safely incorporate exercise into their lifestyles.</p> <p>Career Planning- The aim of this unit is to give the learner an understanding of the job search, application and interview process in order to equip them with the skills necessary to progress onto a sustainable job/training opportunity that is suited to their interests. It is an opportunity for learners to think about careers they may wish to pursue, and reflect upon the training, education and experience required in that profession. With the high demand for jobs, learners need to be aware of where to search for suitable jobs and how to best present themselves both, using their CVs or applications, and in person when they get to the interview.</p>	<p>This unit enables learners to experience active participation in physical exercise.
