

Visitors to My School

A Social Story about
Visitors to my school

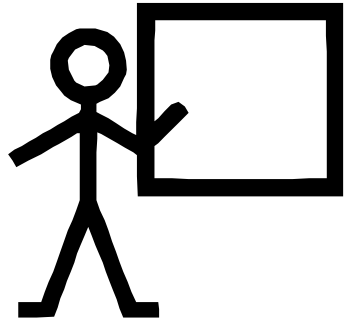

My name is _____ .

- [Insert picture of child]

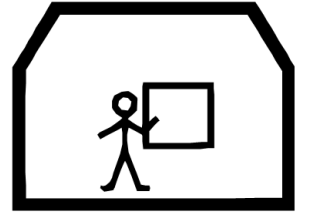

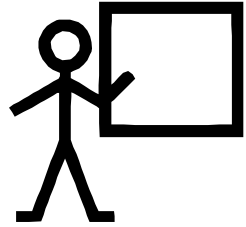

I go to _____.

- [Insert Picture
- of school]

My teacher is _____.

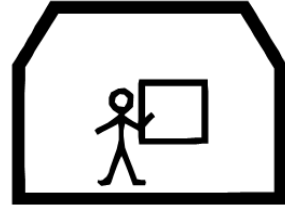

- [Insert Picture of Teacher]

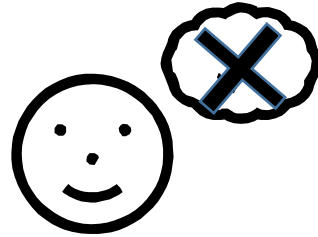

I like my teacher and all of my friends in my school.

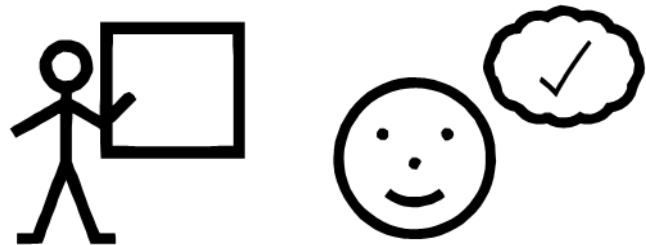

Sometimes, visitors come to my school.

When visitors come to my school, I might feel

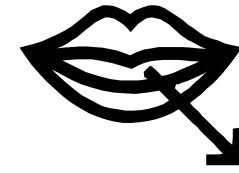

worried because I do not know them.

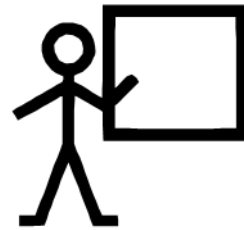

My teacher knows the visitors, so the visitors are

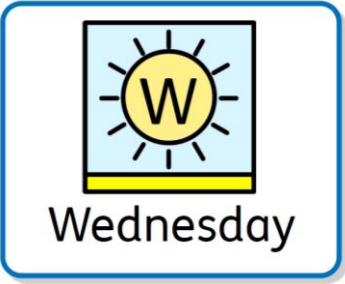

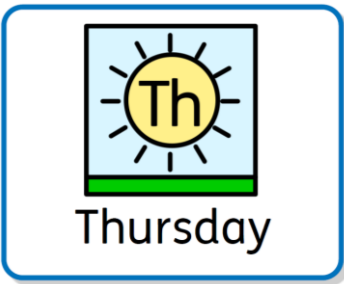

ok.

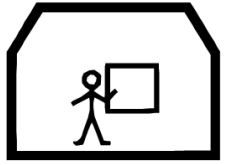

Sometimes the visitors might want to talk to me.

This is ok because my teacher knows the visitors.

On  , there will be visitors to our

school.
